Description

Estate known as Son Marron, with history dating back to the 13th century. The main house enjoys many annexes with many original details preserved, allowing absolute privacy to its dwellers. Standing on a plot of 759,000m², the property has 4 water wells and electricity supplied by a large power generator. The house is on two floors and can be

separated for two families. Both floors have large rooms, original kitchen, bedrooms, bathrooms etc... The property is sold with all its large outhouses and land, which could be made into guest houses, spa retreats and many more options. This property holds immense potential for the right buyer. The property is sold with all its large outhouses and land, which could be made into guest houses, spa retreats and many more options. This property holds immense potential for the right buyer.
