- 19971 m² plot
- Swimming Pool: Yes

Description

This stunning modern-style finca, set on a 19,971 m² plot, offering unobstructed mountain views and complete privacy can become yours. South-east facing, it will combine innovative design with Mallorcan architectural elements. The single-level house project includes a 3-car garage, entrance toilet, spacious kitchen with a dining area, a living room

leading to a terrace with a saline chlorination pool, and 4 bedrooms, 3 with en-suite bathrooms, plus an additional guest bathroom. All bedrooms have terrace access with views of the Tramuntana mountains. Features include underfloor heating, AC, a fully equipped kitchen with high-end appliances, a saline chlorination pool, and home automation for lighting and temperature control. Situated just 10 minutes from Algaida village, this location offers rural tranquility with easy access to Palma airport in 20 minutes and Palma city center in 30 minutes. Experience the best of Mallorca in this exceptional finca, seamlessly blending modern luxury with traditional charm. Building shall start upon reservation of the property; please contact us for details.
