Description

Original finca that was renovated in 2016, conserving original features and with modern extensions designed by a recognised architect studio. The property sits on a plot of 40.000 m² with the main house having 273 m² of living area, independent studio of 100 m², covered and uncovered terraces, large 4x12 meter pool overlooking the countryside

and mountains. The main floor greets you with a large living open space with a formal dining area connected to the open plan kitchen with island and Gaggenau appliances. There is a courtesy bathroom, laundry room and additional room that can be used as the 5th bedroom. On the other wing, 3 double en-suite bedrooms all with access to the garden area. Features of this floor is the height ceiling over 3-m high, micro-cement flooring, exposed stone wall, double sided fireplace and the large window openings looking towards the peaceful haven with mature gardens. The upper floor is designated for the master bedroom with living room space, walk-in closet and two bathrooms on each wing. There is access to a terrace of 38 m² that can have multiple uses. The outside space with mature garden and its absolute privacy offers a covered and uncovered lounge areas with a number of outdoor eating spots. The salt water infinity pool overlooks the properties plot with mountain views on the back. Additionally there is a vegetable farming patch, fenced plot, two main entrances for vehicles and driveway of olive trees. The guest house is completely independent with a small plunge pool separated from the main house...
