Reference: 702847

Key Features

- Algaida, Mallorca
- 5 bedrooms
- 6 bathrooms
- 700 m² build
- 27000 m² plot
- Swimming Pool: Yes

Description

Large plot of buildable land for sale in Algaida, in beautiful central Mallorca. The plot of approx. 27,000 m² is sold with an impressive architectural project from an award-winning studio. The project is for a south-facing spacious villa with all modern amenities, including a large salt-water pool and a spa. The house will be designed in an "L" shape and will

boast high ceilings with large windows offering stunning views towards the Tramuntana mountains and beautiful Randa pueblo thanks to its unique setting in an elevated position. It will offer 5 bedrooms, all en-suite, each with its private terrace, a large living/dining area and an also large fully equipped fitted kitchen. There will be a basement for the technical, storage room, wine cellar and gym/fitness area. The property will guaranty peace, comfort and lots of privacy for its new owners.

Additional Features: Private well, solar panels.

Building permit has already been granted and construction can start immediately.
