Description

Exclusively with us: This enchanting finca sits on a plot of approx. 27,380 m² and was built in 2023/24 using high-quality materials. The property impresses with its stylish design and plenty of living comfort. On a living area of approx. 283 m² are distributed: 5 bedrooms, 5 bathrooms, living-dining area, fully equipped fitted kitchen, utility room and

storage room. Thanks to solar energy and the latest heat pump technology, future-orientated and energy-efficient living is possible here. The mediterranean style elements and the wooden beamed ceilings create a holiday feeling. The feel-good oasis on Mallorca. The south-facing location guarantees many hours of sunshine and the floor-to-ceiling window fronts fill the rooms with plenty of natural light. The outdoor area enchants with the refreshing pool, the chill-out area with BBQ and the well-tended garden. The perfect place to enjoy the beautiful Mallorcan weather to the full.
