Description

New build project:

This unique luxury finca is located in the quiet residential area of Santa Eugenia in the centre of the sunny island. Plenty of privacy and relaxation are guaranteed here. The property sits on a plot of approx. 29,307 m² and offers a

wonderful panoramic view of the surrounding green nature. 900 olive trees adorn the plot and create a mediterranean atmosphere. An ideal place to take a deep breath and relax. The property is divided as follows

Ground floor:

4 bedrooms with en suite bathrooms, guest WC, living/dining area, kitchen, storage room

1st floor:

Studio (ideal for guests), living/dining area, kitchen, sleeping area

The open-plan layout and bright design create an inviting atmosphere. Only high-quality materials were used for the construction, which will be completed around June 2025. The modern fixtures and fittings guarantee a high level of living comfort. The latest building technology, such as solar energy, ensures energy-efficient and future-orientated living. The double garage makes it easy to drive to and from the property. The outdoor area delights with a large infinity pool surrounded by sun terraces, a lovingly landscaped garden and a fountain.
